[Association between Bid Premium for Corporate Acquisitions ...](#)

The results, based on 646 mergers/acquisitions from 1994 to 1998, support the expectation that the bid premium is positively associated with the change in CEO cash compensation. The positive association between bid premium and CEO cash compensation is, however, moderated when the CEO has shareholdings in the firm and especially when the acquiring firm undertakes size-contraction activities.

[CEO compensation and acquisitions - worldeat.org](#)

Get this from a library! CEO compensation and acquisitions. [Nina T Dorata;] -- The CEO of an acquiring firm is pivotal in the merger and acquisition process. This e-book discusses the various roles of the CEO in the merger and acquisitions process, as well as CEO compensation.

[Determinants of Reporting Nonrecurring Charges Subsequent ...](#)

In a sample of 636 merger/acquisitions, 58% of Acquiring firms recorded at least one nonrecurring charge with respect to a Target firm. Pooling-of-interests Acquirers are more aggressive than purchase method Acquirers in early years following an acquisition. The logistic regression results show the odds of recording a nonrecurring charge are significantly greater when there is CEO turnover.

[Executive Compensation and Corporate Acquisition Decisions ...](#)

By examining how executive compensation structure determines corporate acquisition decisions, we document a strong positive relation between acquiring managers' equity-based compensation (EBC) and stock price performance around and following acquisition announcements.

[Association between Bid Premium for Corporate Acquisitions ...](#)

Corporate Acquisitions and Executive Compensation BIKKI JAGGI* NINA T. DORATA** This study empirically tests the argument that the magnitude of bid premium is influenced by the executives self-interest of maximizing their compensation. We evaluate the compensation maximization moti- vation by examining the association between the magnitude of bid pre- mium and change in CEO cash

[CEO duality and compensation in the market for corporate ...](#)

The regression tests are used for various sub samples of the firms, those that merge and those that have CEO

duality Findings The results indicate that for merging firms CEO compensation is positively associated with firm size. However, this association is unaffected by CEO duality.

For non merging firms, the results indicate that CEO compensation is positively associated with firm
