Maine Squeeze by Catherine Clark - Goodreads
Maine squeeze by Catherine Clark is a book about a girl named Colleen who has lived on an island in Maine her entire life. This is the summer before she goes to college. She is trying to shuffle friends, boyfriends, and work and she is really confused about what she should do. I liked many aspects of this book, although at times it dragged on. MAINE SQUEEZE, by Catherine Clark is funny, cute, and easy to read. It's perfect summer reading. Though it sounds a bit like a cheap romance book (the front cover showing a beach and saying 1 girl + 2 boys + 1 island = great summer, or something like that anyway), it really isn't.
