South Africa | Innovation Policy Platform

South Africa's business R&D input and innovation output

are low by OECD standards, and BERD decreased in both absolute terms and as a share of GDP over 2009-12. The latest national business survey (2014) shows, however, some improvement in business R&D investment. The policy mix for promoting business-sector R&D and innovation has remained stable, and receives continuous attention. R&D tax
