Revolts, Protests, Demonstrations, and Rebellions in ...
This three-volume work traces the history of revolts and rebellions from the colonial era to the 20th century. America has a long history of rebellions extending back before 1776. Revolts have taken place because of economic hard times, the denial of civil rights, racism, sexism, and classism. Studying the reasons for and results of these uprisings provides a window into the life of the American body politic and what moves the American people to action.
