SAGE Books - Social and Personal Identity: Understanding ...

This realistic view of personal identity stresses that it is not simply a social construct, but has a definite, individual and subjective existence partly independent of social forces. A focus on personal identity can never be replaced or substituted by the analysis of social activities or practices.

Social and personal identity: understanding yourself by

...

In this accessible and illuminating book Derek Layder attempts to provide a reliable guide to these complicated questions and: Demonstrates that personal identity is formed around basic needs for security and self-esteem and the personal desires that flow from them. Shows the role of the emotions in personal life. Explores the limits of approaches that deny the existence of 'individuals' and
