Further, in the absence of social protection, people, especially from vulnerable categories, are subjected to high risks of sinking below the poverty line or remaining caught in conditions of poverty.

Social security, poverty reduction and development ...
The paper has attempted to put forward a number of arguments for enlarging both the concept and the coverage of social security especially in developing countries. It argues that social security should address the twin problems of deficiency and adversity. As such the concept of social security has

Social Security, Poverty Reduction and Development by ...

Abstract. This paper is written as a think piece to strengthen the ILO's campaign to promote the extension of the coverage of social security. In so doing, the paper has attempted to put forward a number of arguments for enlarging both the concept and the coverage of social security especially in developing countries.
