Space Psychology and Psychiatry (Space ... - amazon.ca This is a book that reviews all the essentials about the psychology of living in space. This is particularly important as we are now on a "fast track" to get to Mars with humans, I hope in my lifetime. This adventure will be extremely dangerous not only from the physical hardships but also because of the mental risks.

Space Psychology and Psychiatry | Nick Kanas | Springer

Drs. Kanas and Manzey have produced a comprehensive review of the issues and research in the areas of space psychology and psychiatry. This includes a long overdue up-to-date compilation of findings from research performed in space as well as anecdotal reports. The authors' personal involvement and experience in space research and operations shows throughout the book in its presentation and
