A further major topic is null subjects: It is claimed that Old High German was a partial pro-drop language. All these issues are addressed from a comparative-diachronic perspective by integrating research on other Old Germanic languages, in particular on Old English and Gothic. This book is of interest to all those working in the fields of comparative Germanic syntax and historical linguistics.

The left sentence periphery in Old High German origins ...

The left sentence periphery in Old High German origins of a V2 grammar Katrin Axel, University of Tbingen In this talk I will deal with the syntax of the left sentence periphery of Old High German (OHG). This work is the first investigation into OHG sentence structure that does not draw on data from secondary sources, but instead is based on a careful and philologically-orientated corpus
