The Cannabible, Jason King, Robert Connell Clarke - amazon.com

Astounded by the lack of books dedicated to the wondrous variety of his favorite plant, author Jason King set out on a four-year mission to document the world's finest cannabis. Traveling around North America, Hawaii, and Europe, he captured over 1,500 strains on film (benevolently sampling a good number as well). Here in THE CANNABIBLE, images of the best 200 varieties are included alongside engaging and informative descriptions of their aromas, flavors, effects, and origins.
