In *The Female in Aristotle's Biology*, Robert Mayhew aims not to defend Aristotle's ideas about females but to defend Aristotle against the common charge that his writings on female species were motivated by ideological bias.

The Female in Aristotle's Biology: Reason or ...

Mayhew wants to argue that while Aristotle's conception of the female is, in general and in many details, false, it is the product of honest (if mistaken) science and not of misogynist ideological bias (1-2).
