Alison Booth is the author of three novels, Stillwater Creek, The Indigo Sky, and The Memory Tree.

The Indigo Sky by Alison Booth - Goodreads

"The Indigo Sky" by Alison Booth, was relatively easy to read. Simple story, though a bit hard to get into at the start. Was surprised that the author was an Australian, as she seems to use a different speech pattern from most Australians, and has named items and places in a very naive style, which would suit a foreign author better.
