[Alister ...](#)

Demonstrates how the intellectual origins of the Reformation were heterogeneous, and examines the implications of this for our understanding of the Reformation as a whole. Offers a defence of the entire enterprise of intellectual history, and a reaffirmation of the importance of ideas to the development of history.

The intellectual origins of the European Reformation. The paperback edition of Alister McGrath's Intellectual origins, first published in 1987, should be most welcome by scholars and teachers of Reformation history. While it is a more complex and sophisticated work than McGrath's earlier Reformation thought (1988).
