Amazon.com: Customer reviews: The Little Book of Aromatherapy

The book is a summery of recipes but was a little disappointed because I would have liked more information on the essential oils. But if you have experience as well the knowledge on the background of the herbs and flowers then it would be a great small portable book to add to your collection. However I don't and am just learning, so purchased the *Aromatherapy* for dumpiness which I feel is a great

Book Review: The Little Book of Aromatherapy - Vitality ...

However, while Keville does say that aromatherapy is an excellent resource for mind and body health, she never implies it is a cure-all. At the end of the book, the budding aromatherapist will find a handy aromatherapy glossary, and a guide for the most common essential oils (*Materia Medica*).
