Nather's book, which includes a useful glossary, provides an excellent snapshot of how the post-reform health-care system should work as it stands now. It may quickly go out of date as Congress continues to tweak legislation, but it's a good and necessary resource, and with any luck Nather will produce a sequel as needed.

Know

Health Maintenance Organization (HMO): A health care system that provides health care through a tight network of doctors and hospitals and assumes the financial risk for the services. You're likely to face the most restrictions in this model, since you have to stay within the network, but you probably will pay less for the coverage.

The New Health Care System: Everything You Need to Know ...

David Nather captured the structure of the Affordable Care Act in his book *The New Health Care System, Everything You Need to Know*. Nather communicates complex concepts in clear, easy-to-read language.

The New Health Care System: Everything You Need to Know

Now that "Obamacare" (as the Patient Protection and Affordable Care Act is popularly known) has become the law of the land, millions of Americans will need help figuring out exactly how the new system will work and how it might affect their lives. This guide will teach people how the new health care exchanges are supposed to work. In an easy, conversational manner, David Nather makes a complicated system easier to understand by answering all your questions. Such as:
