Shannon Drake runs hot and cold. When she's good, she's very good. When she's cold, she's a total snore.

Unfortunately, "The Pirate Bride" is definite nap material.

The Pirate Bride was one of those titles. I had read Beguiled by Shannon Drake ages ago, and found it meh. I had forgotten I had found it meh until I just went back and read the review of it I had written seven years ago.
