[The Twyborn Affair by Patrick White - Goodreads](#)  
The Twyborn Affair was a feat of linguistic fireworks. I loved immersing myself in the universe of White's language and from the second part of this 3-part-novel also became really involved with the narrative. In fact, I ended up being so moved that I burst into tears in a nails salon as I was finishing the book there, to everyone's considerable embarrassment. This bawling session is a

The Twyborn Affair, by Patrick White I really enjoyed The Twyborn Affair. I like Patrick White so much that I had planned to eke out the few remaining books I have yet to read by rationing myself to one per year, but I couldn't resist including this one as one of my choices for the Classic Challenge.

White is now nearing seventy and The Twyborn Affair is his thirteenth book. He is entirely committed to being an Australian writer and all his books are concerned, tenderly or savagely, with his homeland; but in fact he was educated in England and only went back to Australia to live in 1948. So he is an outsider; and his characters are outsiders, outlaws, afflicted, and linked by their
