Wh-Movement and the Theory of Feature-Checking | Andrew ...

Andrew Simpson, Wh-movement and the theory of feature-checking argues that cross-linguistic variation in wh-constructions reduces to the availability of different lexical instantiations of a +wh CD both across languages and within a single language, and the way in which such lexical elements are syntactically identified.

ANDREW SIMPSON: Wh-movement and the theory of feature ...

Wh-movement and the theory of feature-checking is a very valuable contribution to our current understanding of the principles behind WH movement and WH in situ.
